

Directions from Kingsbridge

- From Kingsbridge follow A 379 towards Dartmouth for about 3 miles. Turn right at Frogmore and follow signs to East Prawle. Before East Prawle turn right towards East Portlemouth. After about a mile there is a sharp double bend by some houses. Soon after you will see buildings on the right. The track to Seacombe is opposite these – there is a kiosk with flowers/veg for sale at the top and a sign to Seacombe Bungalow. Follow this rough track past the plastic tunnels and through a gate for a quarter of a mile. You will see the new house. Drive in and through to the garage on the right.
